## President's Message

Welcome to The Curtain Club's 65th season of great community theatre in Richmond Hill! This year, we have an excellent variety of comedies sprinkled with a touch of drama. We include fabulous storytelling from three Canadian playwrights that will keep you entertained from September through to June.

For those of you who have been faithful subscribers over the years and many of you over decades, we thank you for your loyal patronage. Thousands of you have been making The Curtain Club your community theatre and it is your ongoing support that allows us to do what we love – create entertaining and thought provoking theatre.

Thanks to those of you who donated to The Curtain Club last season. We were able to "Pave the Way" and now have a brand new parking lot for all of our patrons. In addition, we have made some modifications to our HVAC system and continue to monitor to ensure an optimal temperature for all.

We are proud to once again host the Theatre Ontario Festival in May 2019. This is an opportunity to celebrate community theatre and see the best shows of the year from all over Ontario. We invite you to take part in this special event that will take place right here in Richmond Hill and we will provide further information throughout the season.

Some of you may not be aware that we are a 100% volunteer organization. Everyone involved in any capacity from set builders, backstage crew, actors and front of house helpers are all volunteers. It is truly amazing to see the level of commitment our members exude considering that many of them have full-time jobs. I encourage you to consider joining our Club. Become a member, get involved and learn about theatre! The opportunities are endless not to mention the new friendships and fun that awaits.

On behalf of all the members, thank you for being a part of our family. We are very proud to be your community theatre!

Rob Mather  
President
